UNITED STATES INTELLIGENCE BOARD

MEMORANDUM FOR THE UNITED STATES INTELLIGENCE BOARD

SUBJECT: Procedures for Dissemination of the National Intelligence
Survey to Foreign Governments

1. As you recall, we circulated for Board review certain proposals by the National Intelligence Survey (NIS) Committee (USIB-D-51.3/5, 20 November) for revisions in the "Procedures for Dissemination of the NIS to Foreign Governments" (USIB-D-51.3/3). Since no Board member, before close of business on 1 December, objected or requested that the matter be discussed at a Board meeting, we consider that the proposed changes were approved as of that date.
2. The attached document incorporates these Board approved changes and therefore should be substituted for the version of USIB-D-51.3/3 (2 December 1958, as revised 17 April 1959) presently held by Board members.
